MEETING SPACES

MEETING SPACES

WE GIVE IDEAS SPACE TO BREATHE.

Meeting rooms at the Luskin Conference Center are thoughtfully designed with natural lighting from floor-to-ceiling windows and integrated audio-visual technology.

CENTENNIAL BALLROOM

Our light-filled Centennial Ballroom and 24 breakout rooms are located on the first two levels of the conference center. See the electronic displays on these levels for your specific meeting locations and related information.

OUTDOOR SPACES

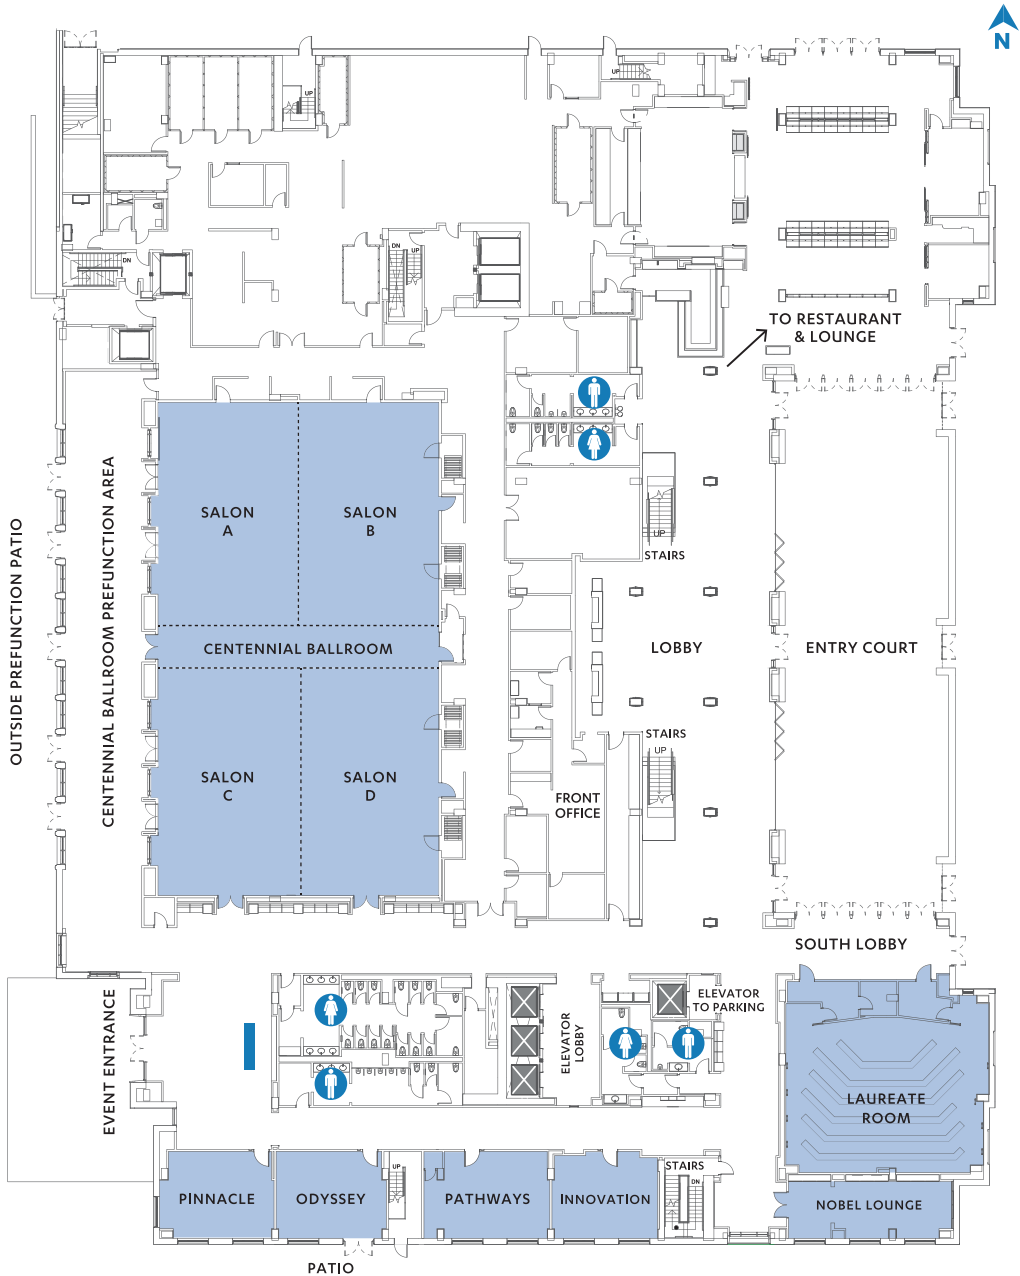

Your outdoor events may be held in several locations throughout the property, including the Centennial Terrace — a large outdoor event space on level three. Other locations are the reception and entry courtyard, the deck adjacent to Plateia (our on-site restaurant) and the Centennial Hall patio that runs the length of the ballroom.

FLOOR PLANS

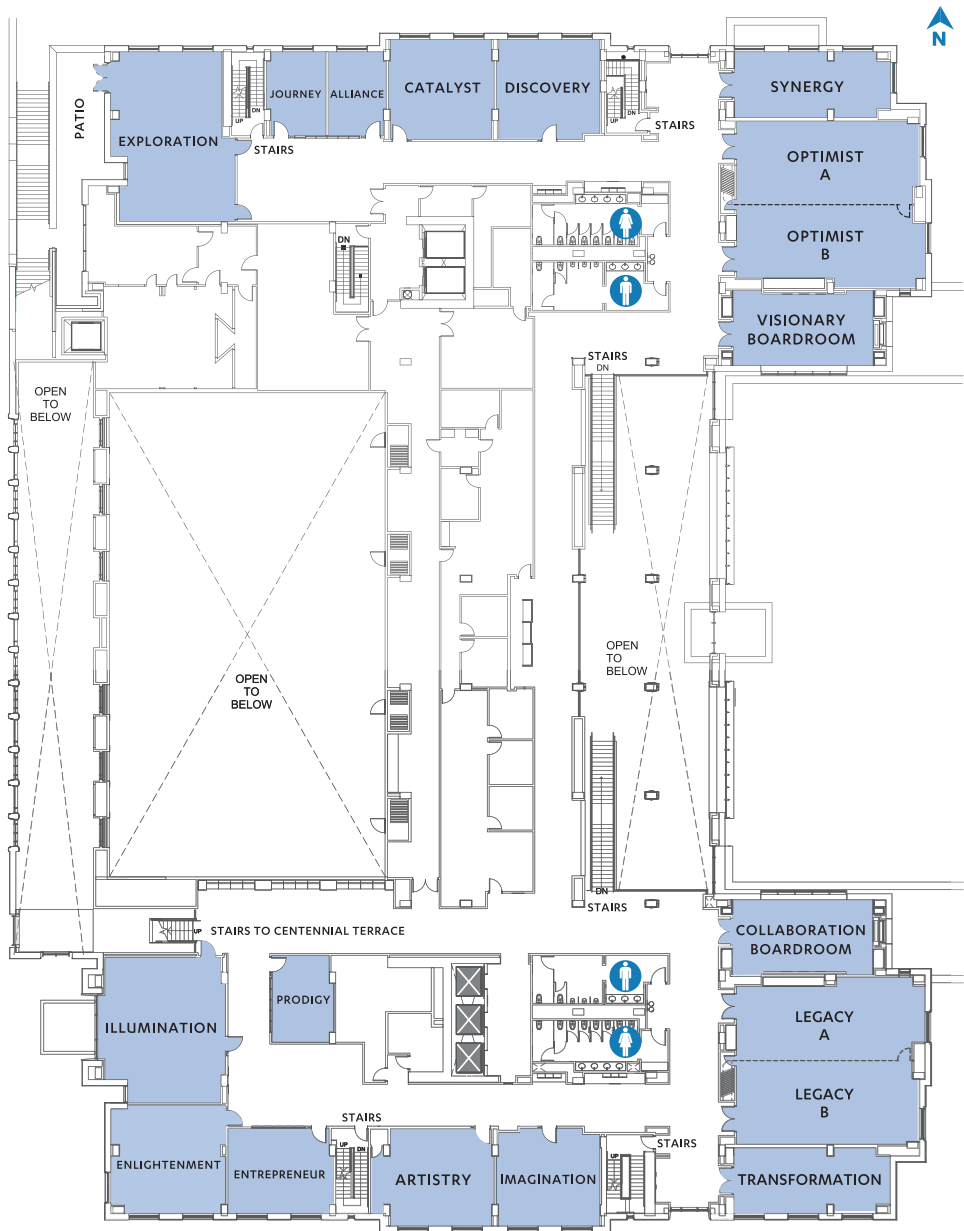

The floor plans on the following pages will help familiarize you with the location of our meeting spaces. Please feel free to ask any of our team members to help you find the location of your event.
