GROUP CONFERENCES, MEETINGS & EVENTS

Welcome to your next idea,
inspiration or breakthrough.

Located in the heart of one of the world's most innovative universities, the UCLA Meyer and Renee Luskin Conference Center is surrounded by opportunity and a limitless spirit. The same spirit that has inspired 13 Nobel Laureates, three Pulitzer Prize winners, the inventors of 1,022 patents, and more than 500,000 alumni, 43,300 students and 35,000 faculty and staff.

When you hold an event at a place built for making connections and exchanging ideas, there's no telling how it could impact your organization, your city or even the world. Here, you're welcome to let ideas flow freely... to let them become reality.

Built to tap into this environment, the Luskin Conference Center takes conferences and events to the next level. This is where versatile meeting spaces, superb accommodations and thoughtful amenities lead to extraordinary experiences. Every inch of our venue — from our 25,000 square feet of meeting space to our state-of-the-art audiovisual equipment — helps facilitate ideas and conversations for programs both large and small.
