YOUR HOME AWAY FROM HOME

DOG RESERVATION AGREEMENT

Welcome to the UCLA Luskin Hotel and Conference Center! We are a dog-friendly establishment and, as such, we welcome canine guests of all shapes and sizes to stay with their humans at our hotel (maximum 2 dogs per guest room). We look forward to providing a memorable stay for you and your pooch and hope your furry friend is as excited about their visit as we are. We can't wait to meet them!

For your dog's comfort and that of other guests and employees, there are a few important things you need to know:

1. Well-mannered dogs are allowed

We reserve the right to require immediate removal of any dog, at owner's expense, that displays dangerous or unacceptable behavior, including, but not limited to, biting, excessive noise (such as barking), evidence of disease, or urination / defecation in public areas.

2. Dogs must be supervised at all times

Dogs may not be left alone at any time during your stay, including in your guest room.

3. Dog-Friendly Areas

Your dog is welcome in your guestroom, and may also join you on the 3rd floor terrace and the outside courtyard (if leashed). There are also a variety of walking areas and greenspaces on the UCLA campus for your dog to enjoy.

4. Spaces Where Your Dog Must Be Restrained

Dogs must be leashed, crated or firmly held when they are in hotel common areas.

5. Damage to Guest Rooms and Common Areas

We know that accidents and incidents happen. Should your dog be involved in an event that causes damage to the UCLA Luskin Conference Center and/or the UCLA campus that requires repairs or replacement of assets, you will be responsible for costs incurred.
